AQUACRYL PAINT
This senior student acrylic can be used straight from the bottle or be thinned with water. Aquacryl can be combined with acrylic mediums to produce a variety of acrylic techniques. Flexible and water resistant when dry. Easy clean up with soap and water before the paint dries. Non-toxic.

CLASSROOM SPLASH PAINT
Classroom Splash is designed for kinder and junior classroom activities. Non-toxic water based Classroom Splash paint is the answer when colour is required quickly with a minimum of fuss.
LIQUICRYL PAINT

This Junior Acrylic is a water based ready mixed quality paint bringing exceptional value and versatility to the classroom. Liquicryl is known for its smooth rich mixable colours.
